

UPDATE

**FYI Latest legal steps and papers files. More to add to this tomorrow. It looks like 4 or 5 of us (lawsuits) will be in NY City 2nd Circuit for a combined Federal Court hearing. This will be March 20th, Monday.**

**Hopefully we will get our TRO or PI before that. Bill GOA-NY**

**Subject:** UPDATE - Reply filed in Gazzola v Hochul

## **UPDATE**

Attached is a .pdf copy of the [Reply](#) I filed yesterday to SCOTUS in our case of *Gazzola v. Hochul*. Our emergency motion for a stay is now complete, and Justice Sotomayor can rule at any time. As of 5 pm today, no ruling. The earliest there could be a docketed update is next Tuesday (Monday is a federal holiday) after 9 am.

You can find the **motion** papers on line (free) at the SCOTUS website:

<https://www.supremecourt.gov/search.aspx?filename=/docket/docketfiles/html/public/22a591.html>

You can find the **Rule 11 Petition** also filed in our case (separate docket number) at the SCOTUS website:

<https://www.supremecourt.gov/Search.aspx?FileName=/docket/docketfiles/html/public\22-622.html>

Thanks for your continuing interest! It's a lot of papers to keep up with...just imagine writing them... Thank you, GOA-NY!
